Invitation      Register certifications      General introduction      Site-specifik introduction

Introduction and validation of information      Work task introduction      Approval of access to site      Access to site

Before coming to site

At site

# You are responsible for inviting those who work in your assignment

## Forward link, QR code or email

*Link / QR code is site unique but not individual unique*

### Invitation

- Register certifications
- General introduction
- Site-specifik introduction

Before coming to site

- Introduction and validation of information
- Work task introduction
- Approval of access to site
- Access to site

At site

# Invited team members carry out the introduction

# Remind to give consent

In order for educations to be registered at ID06, consent must be given

1. Go to [www.id06kompetensdatabas.se](http://www.id06kompetensdatabas.se)
2. Click on "Show my educations / Consent for registration"
3. Log in with Mobilt BankID
4. Under the Central Consent tab - select allow

Feel free to take part in [ID06 instruction film](#) if you need extra guidance

# The site management verifies information and welcomes on site
